

From Referee Assignor Mike Willmott

Please read and heed the following message from CSL dated, 9/13.

First, we apparently had several instances where Referees were insisting on Girls teams changing out of their sleeveless jerseys. Please reiterate to all your Referees that in the case of a sleeveless jersey, they may make note on the match report if so inclined, but they are in no way to hinder the team from playing in their sleeveless jerseys.

Second, we need a standardized code for writing disciplinary actions on the CSL match report. Please instruct your Referees to use an "S" for a send off, "C" for a caution, and "CC" for a send off after a second caution.

At Your Service,  
Mike Benjamin  
CSL
